

**KENTUCKY LABOR CABINET
PREVAILING WAGE DETERMINATION
CURRENT REVISION
LOCALITY NO. 04**

CALDWELL, CRITTENDEN, HENDERSON, LIVINGSTON, UNION & WEBSTER COUNTIES

Determination No. CR-3-004 2011

Date of Determination: August 1, 2011

**THIS WAGE DETERMINATION IS FOR INFORMATIONAL
USE ONLY. AN OFFICIAL DOCUMENT SHOULD BE
OBTAINED FROM THE KENTUCKY LABOR CABINET AT
502-564-3534 PURSUANT TO KRS 337.510**

This schedule of the prevailing rate of wages for Caldwell, Crittenden, Henderson, Livingston, Union, & Webster Counties has been determined in accordance with the provisions of KRS 337.505 to 337.550. This determination shall be referred to as Prevailing Wage Determination No. CR-3-004 2011

Apprentices shall be permitted to work as such subject to Administrative Regulations adopted by the Commissioner of Workplace Standards. Copies of these regulations will be furnished upon request to any interested person.

Overtime is to be computed at not less than one and one-half (1 1/2) times the indicated BASE RATE for all hours worked in excess of eight (8) hours per day, and/or in excess of forty (40) hours per week. However, KRS 337.540 permits an employee and employer to agree, in writing, that the employee will be compensated at a straight time base rate for hours worked in excess of eight (8) hours in any one calendar day, but not more than ten (10) hours worked in any one calendar day, if such written agreement is prior to the over eight (8) hours in a calendar day actually being worked, or where provided for in a collective bargaining agreement. The fringe benefit rate is to be paid for each hour worked at a straight time rate for all hours worked.

Fringe benefit amounts are applicable for all hours worked except when otherwise noted. Welders will receive rate for craft in which welding is incidental.

NOTE: The type of construction shall be determined by applying the following definitions:

BUILDING CONSTRUCTION

Building construction is the construction of sheltered enclosures with walk-in access for the purpose of housing persons, machinery, equipment, or supplies. It includes all construction of such structures, the installation of utilities and the installation of equipment, both above and below grade level, as well as incidental grading, utilities and paving.

HIGHWAY CONSTRUCTION

Highway construction includes the construction, alteration or repair of roads, streets, highways, runways, taxiways, alleys, trails, paths, parking areas, and other similar projects not incidental to building or heavy construction. It includes all incidental construction in conjunction with the highway construction project.

HEAVY CONSTRUCTION

Heavy projects are those projects that are not properly classified as either "building" or "highway". For example, dredging projects, water and sewer line projects, dams, flood control projects, sewage treatment plants and facilities, and water treatment plants and facilities are considered heavy.

Michael Donta, Deputy Commissioner
Department of Workplace Standards
Kentucky Labor Cabinet

Determination No. CR-3-004 2011
August 1, 2011

ASBESTOS / INSULATION WORKERS:

CALDWELL, CRITTENDEN, HENDERSON, LIVINGSTON, UNION & WEBSTER COUNTIES:

(Including Pipe Insulator & Pipe Wrapping):

BASE RATE	\$28.56
FRINGE BENEFITS	13.60

Hazardous Material Handler: (Includes preparation, wetting, stripping, removal, strapping, vacuuming, bagging, and disposing of all insulation materials, whether they contain asbestos or not, from mechanical systems):

BASE RATE	\$19.95
FRINGE BENEFITS	11.00

BOILERMAKERS:

CALDWELL, CRITTENDEN, HENDERSON, LIVINGSTON, UNION & WEBSTER COUNTIES:

BASE RATE	\$35.79
FRINGE BENEFITS	16.71
